Damian is a Lean / Six Sigma Black Belt with supporting Diplomas in Management, Competitive Manufacturing, Human Resources and Training & Assessment. Starting out as a soldier / tradesman 27 years ago, his career has now spanned across Defence, Construction, Mining and Manufacturing companies.

With over 200 projects conducted under his facilitation, Damian has demonstrated a great ability to engage with all members of an organisation in solving process issues and improving Safety, Quality, Cost, Service or Sustainability measures, whether they are based 1km underground, on a workshop or factory floor or an executive boardroom.
